The website of the FAIR4Health Project is located within the domain <https://www.fair4health.eu/>

Website main content

The front page of the website begins with a navigation bar with the main logo of the project and several sections that make up the site, described here below.¹

- ❖ **Home:** Overview of the FAIR4Health project, partners and activities.
- ❖ **Project:** Page dedicated to the definition and explanation of the project.
- ❖ **News:** Section collecting all news related to FAIR4Health.
- ❖ **Events:** It includes a brief description of the events in which FAIR4Health participates.
- ❖ **Polls:** This is an important section to point to the next surveys and results of those that have already been completed.
- ❖ **Resources:** Public content generated within the project (Public deliverables, Reports, Open Access articles, Flyers, Posters, etc.)
- ❖ **Partners:** This section displays information about the members participating in the FAIR4Health project.
- ❖ **Contact:** Contact page that enables the communication with the team by different means.
- ❖ **Newsletter:** This section will include the newsletters as soon as they are released, highlighting the newest one. It also allows web users and visitors to subscribe to the newsletter.

¹ Description included in the deliverable D7.3. Outreach strategy design and development

Audience

Being the main source to view results, the website targets all audiences.

Funding Acknowledgement

A footer is shown including the EU emblem and the acknowledgement of funding.

Provider selection process

The provider selection process and subcontracting of services for the development and maintenance of the website for the FAIR4Health has been done in conformity with the 2020 financial rule, as well as following internal procedures applicable at SAS/FISEVI.

Offers has been collected, based on the description of the minimal requirements for FAIR4Health website. Offers have been carefully studied and selection closed by P1-SAS.

Selection process procedure and documents are available at P1-SAS premises and will be made available upon request.
